KAMS RTO will scan and record a copy of the valid concession card before invoices are issues to students.

1.7 NON-STANDARD ENROLMENTS

1.7.1 MULTIPLE ENROLMENTS

Where KAMS students enrol in a course and transfer to another RTO to complete the same course, the total course charges will not exceed the maximum charges prescribed in Section 1.1.

The student must provide proof of any previous enrolment and fees paid, and a copy will be retained by KAMS in the student management system.

Kimberley Aboriginal Medical Services Ltd

An Organisation of Aboriginal people, for Aboriginal people; controlled by Aboriginal people.

1.7.2 RE-ENROLLING IN OR STUDYING MULTIPLE CLASSES OF THE SAME UNIT

Students wishing to enrol in a unit in which the student has already obtained a pass may do so at KAMS discretion.

1.7.3 CHARGES FOR STUDENTS TRANSFERRING FROM KAMS TO OTHER RTO's

Where a student or a block of students transfers to another RTO, KAMS will transfer course and resource fees in full, if the program of study has not commenced. In all other circumstances, the new RTO may seek a pro rata transfer, based on elapsed time, of course and resource fees from KAMS.

Transfers of fees are to be managed on an RTO to RTO basis. Proof of previous enrolment and fees paid must be provided by the student and retained by the RTO for audit purposes. Details of transfers must be retained by both RTOs and stored in KAMS student management system.

1.8 SKILLS RECOGNITION

1.8.1 RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) involves the assessment of previously unrecognised skills and knowledge an individual has achieved outside the formal education and training system in respect of a specific unit. RPL is an assessment process that assesses the individual's non-formal and informal learning to determine the extent to which that individual has achieved these required learning outcomes or competency outcomes. While fees for students enrolling in RPL are not subject to this policy KAMS may charge for this service based on the scope of work and number of students and units.

1.8.2 RECOGNITION OF CURRENT COMPETENCIES

Recognition of Current Competencies (RCC) applies if a student has previously successfully completed the requirements for a unit and is now required (that is, by a licensing authority) to be reassessed to ensure that competency is being maintained. While RCC fees are not subject to this policy KAMS may charge for this service.

1.8.3 CREDIT TRANSFER

KAMS does not charge students for credit transfer. The transfer of credit provides the student with an exemption from relevant units within a course. Credit transfer does not involve an assessment of the student's knowledge or skills – it is an assessment of the credentials of the formal accredited learning presented against the destination course to determine the extent to which it is equivalent to the required learning outcomes, competency outcomes, or standards in a course.

1.9 PAYMENT OF FEES AND CHARGES

Enrolment will not be complete until payment arrangements have been made between the student and the KAMS RTO.

1.9.1 PAYMENT OPTIONS

1.9.2 PAYMENT BY INSTALMENT

KAMS students will be given a minimum of eight weeks from the commencement of the unit to finalise payment when paying by instalment. KAMS will keep details of the student's enrolment and details of why deferred payment was granted for audit purposes. Where approval has been given for a student to pay by instalment, KAMS is responsible for the collection of outstanding fees and charges. Best endeavours recovery procedures will be in place to manage the collection and recovery of monies. Students who have fallen behind in their payments must not be enrolled in additional units unless appropriate arrangements, agreed to by both the student and KAMS, have been put in place to pay the amount outstanding.

1.9.3 WAIVING OF CHARGES

KAMS may waive all fees and charges for students that they assess as being in severe financial hardship. Whether a student is in severe financial hardship is to be determined on a case by case basis by KAMS. Students will complete the Student Financial Assessment and/or Fee Waiver Form (document # 771) as required and this will be assessed by the RTO Management Team. Details of a student's enrolment, records where a fee waiver has been granted and documented reasons for the decision will be stored on the student management system.

KAMS Students will be advised that written advice of withdrawal is necessary to ensure that they are eligible for refunds of any fees paid.
