

Referral of Patients to Kimberley Renal Services

1. Via MMEx

Compose a message using the 'Kimberley Renal Referral' template and send to "KRS Kimberley"

OR

Use 'Letter writer' and 'Kimberley Renal Referral' template or direct message and send to "KRS Kimberley"

2. Via email or fax to the KRS Administration Officer:

E-mail: krsadmin@kamsc.org.au

OR

Fax: (08) 9193 5766 - If sending via fax, please call 9191 8600 or email to confirm receipt.

We are happy to accept any template or proforma. Please ensure you include:

Contact details, DOB, past medical history, current medication list, most recent renal function results (UEC and ACR) and blood pressure (if available) - any renal tract ultrasound results and abnormal result from renal workup (see Kimberley CKD protocol available at <https://kahpf.org.au/clinical-protocols>).

Please include any specific clinical questions in your referral.

We will need patient consent to medical information before seeing in clinic, a member of the KRS team will be in touch with the correct consent paperwork.

TELEHEALTH OPTIONS MAY BE AVAILABLE

If you would like to organise an urgent telehealth appointment, or would like to discuss any aspect of your referral phone the Renal GP on-call - 0427 808 873 to discuss.
