

# Referral of Patients to KRS Kimberley

## 1 Via MMEEx

Compose a message using the 'Kimberley Renal Referral' template and send to "KRS Kimberley":

Compose New Message

[Send](#) [Save To Drafts](#) [Clear](#)

**From** Dr Emma Griffiths (KRS Kimberley) Renal GP

**To** KRS Kimberley

**CC** Start typing to search...

**BCC** Start typing to search...

**Upload Attachment** [Upload files...](#)

**Patient** Miss (Twin 1) Cheryl \*locktest [Change Selected Patient](#)  This message is associ...

**Link Patient Documents** [Link Patient Documents](#)

**Templates** \*Kimberley Renal Referral

To ensure your patient receives the earliest possible appointment, please obtain consent to share the patient file.

Use the [MMEEx Patient Comparison](#) tool to obtain consent – include "Kimberley Renal Service" as a listed clinic and write "verbal" in the signature box. The KAMS MMEEx helpdesk will then arrange file sharing. If written consent is obtained, forward the document to MMEEx for processing.

## 2 Via email

E-mail: [krsadmin@kamsc.org.au](mailto:krsadmin@kamsc.org.au)

**Any template or proforma will be accepted.**

Please include at a minimum:

- Complete contact details and DOB
- Relevant pathology and creatinine/eGFR/ACR trends over time
- Renal tract ultrasound report
- Up to date medication list, relevant PMHx, family history
- Any specific questions for the clinical team

See the [Kimberley CKD guideline](#) (available at <https://kahpf.org.au/clinical-protocols>) for recommended workup for a new CKD diagnosis.

### TELEHEALTH OPTIONS MAY BE AVAILABLE

If you would like to request an urgent telehealth appointment, or would like to discuss any aspect of your referral phone the Renal GP / NP on-call - 0427 808 873 to discuss.
